Take A Look At This Carnegie Hill Home For \$2,400,000

A new listing has just popped up on Park Avenue in the Carnegie Hill area in New York City. This 2 bedroom, 3 bath apartment has breathtaking views of the city and amazing architecture that allows for natural light. Located at Apartment 5D at 1070 Park Avenue, the apartment is listed at \$2,400,000.

The apartment is in an ideal New York City location, which is near Central Park and attractions like The Metropolitan and the Guggenheim museums. Care to shop? You will find exclusive retail on nearby Madison Avenue as well a few grocery stores to choose from. The apartment is close to subway and bus stations making for easy access to public transportation.

High ceilings at about 9'4" give this apartment character by making it feel spacious. The living room has a wood burning fireplace to make cold winter nights just a little bit warmer, and the views allow for year-round New York City ambiance. The apartment has two bedrooms. The main bedroom has an en-suite bathroom and a large walk-in closet. The second bedroom has views of the northern part of the city and is newly carpeted with Berber carpeting.

The apartment has a large dining room to enjoy meals in, but it can also be transformed into a room of the owner's choice such as a library or office. The kitchen has white cabinetry, a washer/dryer, a wine refrigerator and multiple appliances to fit your needs.

The building itself is home to many amenities including a fitness center, private storage, laundry, and an outdoor basketball court. There is a full time doorman and concierge to help with anything that you need. The building is also pet-friendly.
